Dear Parents/Guardians,

Beginning October 31st, the Mansfield Counseling Department will be conducting one-on-one Personal Graduation Plan meetings with our 9th grade students and parents. Under House Bill 5, known as Future You in Mansfield ISD, students will identify their endorsement and develop their academic plan. All MISD students who are currently in the 9th grade for the **first time** will graduate under the HB5 graduation plan at the Distinguished Level of Achievement. Students will select from 5 endorsement areas explored in the 8th grade Career Pathways course. The endorsements are:

1. Arts and Humanities
2. STEM (science and math)
3. Public Service
4. Business and Industry
5. Multidisciplinary

During these Mansfield ISD required one-on-one meetings, counselors, parents, and students will discuss which classes your student will need to take and in what order to successfully meet graduation requirements at the Distinguished Level of Achievement. This meeting will serve as an academic road map for your child's high school years. Please remember that courses are still subject to space and availability for each year.

To facilitate our meetings, we are asking that all parents schedule their meeting time online at SignUp (see links below for your child's counselor). If you do not have internet access, please call the counseling office to speak with Mrs. Wiggins or Mrs. Server at 682-314-0181. We will schedule your appointment for you.
