Dear Eighth Grade Student and Parent/Guardian,

Welcome to high school in the Mansfield Independent School District. We hope that your high school years are filled with wonderful, enriching experiences. Nelson Mandela once said, "Education is the most powerful weapon which you can use to change the world." We look forward to seeing how you will positively transform our world!

Please review the courses which you and your parent/guardian selected for you to take during the 2017-2018 school year by accessing Skyward Family Access. Once you are logged into Skyward Family Access, select the *Schedule Tab*, then *Course Requests for 17-18*, and then view *Available Courses*. **Please check the courses carefully. Please remember that April 14th is the final deadline for any changes to your course selections.** In addition, please know that this is not your class schedule. You will receive a copy of your class schedule at your high school's registration/schedule pick-up before school begins in the fall. This is simply a list of course selections made by you and your parent/guardian. **If you decide to make any changes, please mail them to the attention of the counseling center at your high school no later than April 14, 2017.**
